

Instrument Performance Verification Test Certificate (cont)

Atomic Absortion Titan MPS

Instrument Performance Verification Test Certificate

REMARKS: N/A

This is to certify that the full Instrument Performance Verification tests for the PerkinElmer

TITAN MPS (8 Vessels)**313X3080102**

have been performed and the configuration tested **meets** the PerkinElmer Specifications listed on this certificate.

This certificate does not affect PerkinElmer's standard terms and conditions of sale, including the terms of the instrument warranty.
